# Who We Are?

**Shahen Agro Group** fully fledged all kinds of agro related and Livestock , Feeds, Agent Banking , NGO Organiation, Export - Import enterprises established in 2020 with many successful projects, with a wealth of diverse experience and exposure. Our corporate philosophy of trust, integrity and quality has placed us at the forefront in the industry.

Shahen Agro Group has the highly qualified professionals who has the vast experience on the business. These professionals joined together to venture into business and get involved in bringing the clients dreams come into reality. Shahen Agro Group is family owned business with a strong code of ethics that revolve around integrity and transparency which has been successfully growing for 3 generations.

Our motive is to develop the market demand from the clients and the suppliers who were not exposed to the existing Bangladesh and foreign market. We source the products as per our client's requirement well within their expected budget and within the required time period. In the process we have been approached by some of the top notch Agro Ideas in Australia to distribute their products in the Bangladesh region. We clearly analyses such proposals and work on the project prudently based on the uniqueness, which brings value addition to Shahen Agro Group and to our clients.
